

Chapel Ground-Breaking Set For Sunday

Dance Greets June '53 Class

The annual Freshman Welcoming Dance will be held in Loyola's Alumni Gymnasium on Saturday, October 15, from 9:00 to 1:00.

Sponsored for the freshmen by the Sophomore Class, the dance will be in cabaret style and will feature the music of the Modernists.

Committee Listed

The Orchestra Committee is under the chairmanship of John O'Connor, while Francis X. Metzbowers heads the Ticket Committee.

Vincent Brocato is chairman of the Refreshment Committee, with Richard Cadigan and Edward Pula presiding over the Publicity and Decoration Committees, respectively.

The activities of all committees have been co-ordinated by the Vigilance Committee, under Richard Wojtek, chairman, and Francis X. Kaspar, president of the Class of '52.

Refreshments In Snack Bar

Refreshments consisting of soft drinks and cake will be served in the Snack Bar, in the basement of the Gymnasium, by members of the Vigilance and Refreshment Committees.

The Decoration Committee, in addition to supplying tables for the dance, has promised extensive and different decorations.

All Students Invited

Since the dance is part of the orientation program for members of the Class of June '53, all freshmen are obliged to attend. All other students are cordially invited.

The price of admission is \$2.00, stag or drag. Tickets are now on sale in the cafeteria and will remain on sale throughout next week.

The Rev. Vincent F. Beatty, S.J., moderator of the Vigilance Committee, will supervise the dance.

Shown here is an artist's drawing of Our Lady's Chapel of Evergreen, which will be dedicated to Loyola men who served in World War II. Located on a point adjacent to Charles Street in the southwest corner of the Loyola campus, it will face the Faculty House. In its basement will be an auditorium sufficiently large to hold the entire student body.

Notice To Students

The Office of the Dean of Studies announces that attendance at the ground-breaking ceremonies for Our Lady's Chapel of Evergreen on Sunday, October 9, at 4:00 p.m., is obligatory for all Loyola students.

Students will assemble in the Alumni Gymnasium at 3:30 and then march as a group to the chapel site.

Singers Plan Full Semester

Loyola's Glee Club has planned a full and varied schedule for the first semester of the 1949-50 school year, it was announced by Mr. Felice Inla, director.

The club's first appearance will be at the official ground-breaking ceremonies for Our Lady's Chapel of Evergreen on Sunday, October 9.

Plan "Loyola Night" Program

After that the choristers will begin practicing for their program at the traditional "Loyola Night" on November 11.

Planned are several selections by the popular Glee Club Quartet—George Bauernschub and Charles Davis, tenors; Bertram Morales and J. Jacques Gannung, basses—and a baritone solo, *Without a Song*, by Salvatore Bataglia.

Among the numbers to be sung by the entire chorus will be *The Battle Hymn of the Republic*, the solo part of which will be done by James Dietz.

To Sing In Concert

On November 19 the club will join other clubs from the Maryland District of the Associated Male Chorus of America to stage a joint concert in the Polytechnic Auditorium.

Later in November the Loyolans will sing at Mt. St. Agnes College, and December 19 is the tentative date for the club's Christmas concert at Loyola.

Fr. Bunn, Ex-President, To Be Principal Speaker

Very Rev. Edward B. Bunn, S.J.

The Very Rev. Edward B. Bunn, S.J., Regional Director of Studies for the Maryland Province of the Society of Jesus, who was President of Loyola between 1938 and 1947, will be the principal speaker at the chapel ground-breaking on Sunday, October 9.

Father Bunn, who was succeeded by the Very Rev. Francis X. Talbot, S.J., inaugurated the Memorial Chapel Fund in February, 1946, when, during the Alumni Association's annual banquet, he said:

"During the war nothing was sacrificed at Loyola. The School kept going with ever dwindling

student bodies. It gave to its country more boys and more commissioned officers than any other small college in the country. To commemorate all those boys who served, Loyola will erect this Chapel to Our Lady."

At that time he set the fund's quota at \$400,000. By October, 1946, over one-half of that sum had been pledged. By Christmas of the same year Father Bunn was able to announce that the three-quarter mark had been reached.

Father Bunn also started the Loyola College Evening School.

Archbishop Will Officiate At Ceremony

Ground-breaking ceremonies for Our Lady's Chapel of Evergreen will take place at the chapel site, on the southwest corner of the Loyola campus, on Sunday, October 9, at 4:00 p.m.

Presiding at the services, the Most Rev. Francis P. Keough, Archbishop of Baltimore, will accept a "gold" shovel tied with the College's green and grey colors from the Very Rev. Francis X. Talbot, S.J., President of Loyola. He will then break the ground for the Gothic memorial to Loyolans who served, and especially to those thirty who gave their lives, in World War II.

Past President To Speak

A temporary altar will be placed on the hill overlooking Charles Street and just below the level of the Science Building.

There faculty members, benefactors, alumni, students and friends of Loyola will gather to hear an address by the Very Rev. Edward B. Bunn, S.J., formerly President of Loyola and presently Regional Director of Studies for the Maryland Province of the Society of Jesus.

Archbishop Guest Of Honor

Following the ground-breaking, Archbishop Keough will bestow the

FRESHMAN WELCOMING DANCE Committee members John O'Connor, Francis X. Metzbowers, Richard Cadigan and Robert Bollinger discuss plans for the first freshman social event of the year.

Jr. Sodality Begins Work

The Junior Sodality initiated its fall-term program with a successful Communion Breakfast held at the Hotel Stafford on Sunday, October 2.

The Rev. John Ryan, S. J., head of the Reparation Society of Our Lady of Fatima in the United States, was the principal speaker. Father Ryan explained the history and intentions of the Hour of Reparation for the benefit of the Sodality, who had inaugurated the first Saturday devotions at Loyola on Saturday, October 1.

Other activities on the October agenda include a Living Rosary, which commenced on October 3 and will continue for the rest of the month, and the showing of pictorial slides describing the Holy Mass. The Sodality will be present at the ground-breaking for the new chapel on October 9 and will participate as a group in the parade of Christ the King, on October 30.

Plans are in the making for the representation of Loyola Night for orphan children on November 12. This will be done in conjunction with the Senior Sodality.

The Rev. Joseph d'Invernizzi, S. J., moderator, has announced that participation in the Living Rosary and the Reparation Society is open to any student who might wish to attend the devotions.

Corrigan Succeeded By Pula In NFCCS

Edward A. Pula succeeds Eugene P. Corrigan as Loyola's senior delegate to the NFCCS. The new representative attended the Student Council meeting of September 23 as his first official act.

Corrigan was appointed to the post in the spring of 1947. He is a junior and has served two terms as press and corresponding secretary of the Baltimore-Washington region of the National Federation of Catholic College Students.

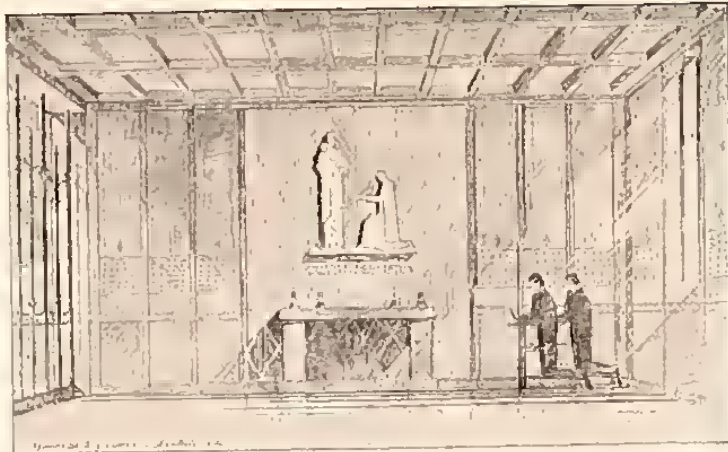

Pula, a sophomore, had participated in Federation activities during the past year, serving as a junior delegate.

The year's first meeting of the Baltimore-Washington NFCCS has been called for Sunday, October 9, at Georgetown Visitation by president Paul Sigmund of Georgetown.

Beneditio. He will then attend a reception in the Faculty House, at which he will be the guest of honor.

Every priest in the archdiocese has been invited to form an honor guard for Archbishop Keough. Approximately ninety Loyola alumni who have entered the priesthood are expected to attend from the Baltimore-Washington area.

Also marching in the procession to the chapel site will be members of the Faculty. The entire student body, together with friends of Loyola, will line the procession's path.

The College Orchestra and Glee Club, under Mr. Felice Iula, will furnish the musical program for the occasion.

Set in the cornerstone of the Memorial Chapel will be the subscription blanks signed by those whose contributions made it possible, according to an announcement from the Office of the President.

The contract for construction of the edifice will be awarded this month. It was announced by Father Talbot, who anticipates the chapel's completion in the autumn of 1950.

Father Talbot also announced that a sum of \$414,628.24 is now on hand in the chapel fund, and that \$42,843.43 in pledges is still outstanding.

Expresses Gratitude

He added that the architect's estimate of \$600,000 as the cost of construction would probably be revised downward once the bids were presented.

In expressing his appreciation for contributions to the chapel fund, Father Talbot said, in part, "... I am deeply grateful to every benefactor who has contributed to the Memorial Chapel Fund, whether in large amounts or small."

Plans for the chapel were drawn up by architect Lucien Gaudreau.

Dear Father Talbot,

Confirming our conversation of recent date, I am writing to say that your proposal to conduct a campaign to raise additional funds for the complete payment of the College Chapel, which you intend to construct in the near future, has my approval and blessing.

It goes without saying that the real heart of any Catholic College is found in the Chapel. There the Divine Master watches over the work of His Priests, there he awaits the petitions of His students in their joys, sorrows and difficulties and always to help.

In order to aid you in this laudable undertaking, I am herewith enclosing my check.

With the prayerful hope that your efforts will be blessed with success, I remain

Sincerely yours in Christ

Loyola Makes LIFE; Included In Waugh's Views On America

By Eugene P. Corrigan

Life Magazine published an essay on modern America and the American Catholic in its issue of September 19 which included several hidden references to Loyola.

The editorial introduction mentions Evergreen as one of two institutions visited by Evelyn Waugh, English satirist, during his four-month visit to this country last year. The tour prompted an article on the vitality of American Catholics, whom he saw being raised by their educators from a "proletariat into a bourgeoisie... a faithful Italy, qualified to take its part in the general life of the nation."

Mr. Waugh wrote that the Maryland vicinity is a fascinating area for the Catholic visitor and quoted "questions chosen almost at random from the examination papers of a Jesuit college," which he observed while visiting Loyola prior to speaking under college auspices in the inauguration of his nation-wide tour. While in Baltimore, he was guest at "Mayday," home of Charles B. Reeves, member of the Loyola College Board of Trustees.

Council Selects Officers And Moderator

Preliminary tasks of the Student Council were dispatched at the first meeting on September 22, when the five officers were elected and a moderator selected for the year. Neil McNeal was chosen vice-president in quick elections, while Walt Smyth was named secretary.

Francis Meagher is the new Council treasurer. James Diefz is parliamentarian, and Bertram Morales is social secretary. Dr. Harry Kirwin, of the History Department, was chosen Lay Faculty advisor by the Council members from a long list of nominees.

Meeting Place Changed

Other business conducted under the chairmanship of President Euldo Blauco included a vote of thanks to Mr. Gustav E. Herzer, past moderator, for his outstanding assistance in Council deliberations. The group also approved the new method of towel dispensing in the gymnasium after heated debate.

In the future, Council meetings will be held in classrooms large enough to accommodate the expanded assembly. Three activities and a newly formed class seated representatives last year, raising the total roll call to twenty-seven organizations.

Rector Praises Choice

The Very Rev. Francis X. Talbot, S. J., who is Jesuit advisor *ex officio*, congratulated the new officers and praised the student body, and particularly the Glee Club, for their showing at the recent Mass of the Holy Ghost.

IRC Employs UN Meeting Method

Loyola's International Relations Club has inaugurated a new procedure in conducting their meetings. The method employed is similar to that used by the General Assembly of the United Nations.

Each member serves as delegate from a particular country. When a resolution is placed on the floor, the "delegates" are allowed to express their opinions concerning the matter.

According to Dr. Harry Kirwin, moderator of the club, this step has been taken to acquaint IRC members with the inner workings of the UN as well as to give them a chance to discuss world problems.

Peter Stehle, president of the IRC, presides over the sessions of the model General Assembly as secretary-general. Vice-President Walter Smyth serves as adviser to Stehle. Hans Zimmer handles the dual role of secretary-treasurer.

Weekly meetings of the IRC are held each Tuesday at 3:15 p. m. Planned for the future is a discussion on United States' aid to China and the ability of China's leaders.

Loyola Oldtimers Recall Days Of Few Students

The usual reaction to the recalling of the cherished sheepskin that proves you are a whole man is commonly expressed with a long sigh and the exclamation, "At last!" But if you think it's taken you a long time, friend, pause and consider the eleven gentlemen who have been here since September, 1945, and earlier!

It seems to John Herbert, Fred Hinch, Joseph Coughlin, Robert Bourbon, John Cuculus, John Mercalilo, Francis Meagher, Clark Corcoran, Otto Beyer, Calvert Kenning and Cartwright Griesacker that they are "old, old men" who are always around every year to see the incoming freshman and the outgoing senior and so on wistfully, "Maybe next year I'll be out."

In reality, these gentlemen are neither stupid, persecuted nor class-cutters. They are simply eleven of

the many students who suddenly looked up from their books one day to see Uncle Sam gesturing with a speckle motion of his hand towards the draft board. As Meagher stated, "After that, everything went black."

These students have seen some remarkable changes. When they first entered Loyola its student body was rather sparse and "everybody knew everybody." It was possible in those dear days beyond recall to "sit in the oak room and see the school pass by." Everybody knew your schedule in those days.

A Significant Event

Loyola builds men! "Men! Build Loyola!" These were the climaxing words of the Very Rev. Edward B. Bunn, S.J., former President of Loyola, as he inaugurated the subscription drive for Our Lady's Chapel of Evergreen. A little over three and a half years later, Loyola is making final preparations for the chapel's formal ground-breaking.

This is progress—progress made possible by the unswerving efforts of two Loyola presidents, Father Bunn and the Very Rev. Francis X. Talbot, S.J. To these two Jesuit fathers, to the alumni association, and to the numerous other benefactors, Loyola, indeed, owes a debt of sincere gratitude.

Thus, it is with justifiable pride that Loyola students will witness the ground-breaking ceremonies on Sunday. It is their alma mater that is raising this edifice in memory of those who served and of those who gave their lives in the last world war. The structure will be grand; it is dedicated to a noble cause. It will serve an equally noble purpose, for it will facilitate a more vigorous religious program at the College. It was for the possibility of just such a program that those whom it recalls fought to preserve. There could be no more fitting memorial. It would be well, therefore, for the Loyola students to consider, without any fear of false sentimentality, those whose efforts ultimately made this ground-breaking possible.

The chapel building will also fill another long-standing need at the College. Its basement will provide the students with an ample auditorium for formal and extracurricular functions. This alone would be ample justification for the tireless efforts which have made possible the realization of Father Bunn's original plan. Many organizations whose activities have heretofore been thwarted will have adequate facilities at their disposal.

The commencement of the chapel's construction is a milestone in Loyola's history. It is the first step in a program of preparation for the celebration of the College's centennial in 1962. As the Archbishop turns the soil on the chapel site, the assembled Loyola students should thrill to the significance of the event.

Running With The Hounds

by Bob Bourbon

This afternoon here at Evergreen, as a climax to the hazing program, Loyola's freshmen will attempt to wreak terrible vengeance on their sophomore overlords in a contest which, for the lack of a better name, has been called rugby. This yearly game has become something of an institution on the campus, and we're sure that our version of it is quite unlike any other played anywhere. The object of the game as it's played here seems to be, not to get the ball, but to get the man carrying the ball. The system of stopping the runner closely resembles the conventional style of play, but there is a further tendency, when once a man is down, to push his face below the surface of the playing field. And if the gridiron is wet, this is often quite possible.

We remember one year that it rained so hard the referees had to stop the fight—Oops!—we mean call the game.

It's the only form of competition that we know of in which a man can bring his foe to the ground with a savage tackle, follow it up with a left jab to the ribs and end up playing territory on his back with the spikes from a track shoe. It's all in good fun, though. Yeah!

Soccer, Cross-Country Outlook

Loyola's fall sports program, which extends but a little more than five weeks in duration, begins officially here at Evergreen, Saturday a week from now, with the Greyhound soccer team playing host to American U. Three days later, the cross-country team throws its hat into the Mason-Dixon conference ring when it entertains Gallaudet, at Clifton Park. Hopes are high for both squads, but early-season indications are that neither will be as strong as their 1948 predecessors.

Soccer probably was hit the hardest. Coach Bish Baker has lost four key men since last year's campaign: Henry Linz, "Hawk" O'Brien, Nick Kropfeller and Dick Hicks. The loss of Kropfeller is an especially crippling blow, as his presence on the field not only added class to the attack, but he gave his teammates a tremendous psychological advantage. He was always a dangerous man, and no one was more aware of that fact than members of opposing teams. Make no mistake about it; Loyola will miss him.

Unsung Hero

It's become a common practice among sports writers and announcers to give a weekly award to an unsung hero of a team in recognition of his particularly meritorious efforts in some game. Anyhow, the award is usually presented after the game, or at the end of the season. There's one fellow on the soccer team; we don't know whether he's an unsung hero, but we would like to single him out, before the start of the season, as a guy who'll bear a heap of watching. He's mentioned in the press notices; that's about all, yet he could mean the difference this year between victory and defeat in many a close game. He's Loyola's goalie, Johnny Gants, and if you want to determine his value to the team, all you have to do is to look back at some of the low scores to which the Greyhounds have held their opponents over the past two years.

This is Johnny's third year in the nets for the Hounds, and there were many who thought his play last season equal to, if not better than, any other netminder in the league.

Defense Of Soccer Championship

Defending our soccer crown will be no easy task. Every team we meet will be gunning to knock us off, but our biggest barrier probably will be, as was last year, Johns Hopkins. The Jays had a better than average squad then and it's back, practically intact, for this season's soccer wars. Washington College, as a rule, comes up with an excellent team, and Western Maryland and the University of Baltimore, in that order, could give us trouble. In any case, if someone wants to beat Loyola in soccer this year, they're going to have to work mighty hard at it. 'Cause we don't aim to be beat!

Block L Elections

The Block L Club, Loyola's only campus organization run by athletes for the athletes, just recently held its opening meeting of the year, and among the other changes effected was the election of officers.

When the votes had been counted it was announced that Mike Zevalis had been elected to the Vice-Presidency. Quite a few people at Loyola know Mike. He plays a little bit of everything, mostly basketball and baseball. The popular redhead should do a good job.

Soccer is in the air out Evergreen way, as several of this year's Greyhound squad work out for their first game of the season, a home affair with American U. on October 15.

Soccer Squad Faces A. U. In Initial Test Of Campaign

Loyola's Mason-Dixon Championship Soccer team will begin defense of its conference title when American University visits Evergreen next Saturday, October 15, to officially open the 1949 season.

After three weeks of rough workouts and hard scrimmages, the Greyhound squad is looking fit enough to meet the toughest of opponents.

Baker Cites Veterans

Coach Bish Baker indicates that Tom Lind, Duke Kerr, George Phillips, Armando Luzzi, Jim Bullington and Lou Foule are veterans who will form the nucleus of the starting eleven. Don Stuehler, Frank Kowakazek, Jack Fenwick, and George France, experienced reserves of last season, will figure prominently in team play this year.

Among a group of promising newcomers are backs Richard Swemkowski and Ben Bremer, who garnered All-Maryland scholastic honors while attending Patterson Park. Bill McGee and Bernie Stang. All-

Maryland sections at goalie and back, respectively, are also impressive freshmen players.

Stang, a three-year standout at Calvert Hall, has shown much in early workouts, and if Coach Baker can polish the rough edges off of Bernie's play, he'll spell trouble for quosing elevens before the campaign ends.

Eagles Schedule Newcomers

American University, newcomer to the soccer schedule this season, could give the Greyhound booters a busy afternoon. Much of the Eagles' talent, however, remains an unknown quantity, and for this reason any kind of a pre-game prediction would be out of order.

Following a two day layoff, Baker's charges encounter Towson State Teachers College on October 18. The Teachers, heretofore considered league underdogs, appear to be a much stronger aggregation than that which lost to the Hounds last year, 6 to 0.

McElroy Named Publicity Head

Bill McElroy, Loyola's noted businessman-track coach, has been appointed as publicity manager for athletics to fill the vacancy created by the graduation of Vince Bagli. Last year's jack-of-all-trades Greyhound publicity expert. His appointment was made known officially at the Athletic Banquet this summer, but his duties did not commence until this fall.

Bill has many projects in view. Chief among these is the proposed newsweek release, a weekly summary of sports results and a preview of coming athletic contests. This publication will be sent to many of the country's leading newspapers and to local radio stations as well as to Loyola's sports rivals.

This year also the publicity office will edit a program for each home game in each sport. The 1948 '49 basketball programs received much favorable comment upon their presentation to home-court fans, and it is planned that this year's edition will equal or even better last season's best efforts. In addition to lineups the programs will contain all pertinent statistics and season's records.

Included among Bill's other duties will be the maintenance of athletic relations with other schools, both by letter and by personal contact. He also assisted last season in photographing home sports contests for entry in the film library.

Bill will be busy dividing his time this year between the book store and his new avocation as Publicity Manager, but if he accomplishes the latter job with the same proficiency as he has the former, Loyola's sports publicity is in good hands.

Star Pupil To Teacher In One Short Year; Story Of Swimming Coach Fisher's Success

by Gene Courroy

A man who needs no introduction is Jake Fisher, Loyola's new swimming coach, for it was this likable fellow who was one of the mainstays on Loyola's Mason-Dixon Championship squads of the past two years.

Jake, who also doubles as a Freshman chemistry teacher, was graduated with last year's May class. As a student, Jake was also one of the best, for he maintained an above-ninety average while attending the college.

Prepped At McDonough

Prior to entering Loyola, Coach Fisher served a 27-month tour of duty with the United States Army. Besides visiting a number of the states, Jake traveled to such parts of the world as China, Korea and Japan.

In his prep-school days Fisher attended the McDonough School for Boys. After being graduated from the Pikeville Academy, Jake spent a semester at the University of Maryland before joining the armed forces.

Sets Two New Records

Jake's swimming career began back in 1937, when he swam in a

Jake Fisher

25-yard freestyle event of the Evening Sun Tournament. Fisher also swam in the '38 and '39 edition of this tourney.

Last season probably was the best Jake has ever experienced. Besides setting two records in the 50-yard and 100-yard freestyle events, Fisher anchored the Greyhounds' record-breaking 40-yard freestyle relay team.

Jake's aquatic accomplishments

appear all the more remarkable in view of the fact that his crowded pre-medical schedule permitted him little time for formal practice. His natural style and devotion to conditioning made up for his lack of practice, however, as is evident from the records he shattered and reset.

Ties Pool Mark

The record-smashing events took place in the Mason-Dixon Tournament which was held last year at the Evergreen pool. In the 50-yard event, Jake tied the existing mark of 24.3 seconds. He now shares that timing with Hank Steingass, former Green and Grey performer.

In the 100-yard swim, Jake covered the distance in 57.3 seconds, which is but fractions of seconds off the pool record.

Outlook Is Bright

Coach Fisher said that he is planning to call his first practice session around the first of November and to get as much work in as possible before the Christmas holidays.

The swimming mentor also said that he may sound a bit optimistic, but he is looking forward to a very successful season.

Block L Members Elect Zedalis, Linardi, Shock

The Block "L" Club, Loyola's athletic fraternity, held its first meeting of the current school year on Friday, September 23, with approximately 35 members attending.

This meeting had a twofold purpose. First, the election of officers for the year 1949-50 and, secondly, the outlining of activities for the coming year.

Balloting for vice-president, secretary, and treasurer was held. Franny Meagher automatically became proxy of the Block "L" when

he was elected president of the Athletic Association last spring. Zedalis Vice-President

Mike Zedalis, veteran member of the baseball and basketball teams, and captain of the courtmen, was elected vice-president. Appointed to the position of secretary was Frank "Pooch" Linardi, captain-elect of the baseball team. Another member of the baseball squad, Harry Shock, was named treasurer. All of these men are in their senior year.

The first and most important business of the meeting concerned the Freshman-Sophomore rugby contest to be held October 7. This annual contest marks the climax of the "Pup" hazing period, and in it the fate of the frosh is to be decided. A special committee, headed by John Mercaldo and composed of Block "L" members, will direct the game, and will also establish and interpret the playing rules. A post-game party for the competing teams has been arranged, but no definite plans have been established as to the nature of the affair.

Plans were also made to have a monthly social for members of the Block "L." It will be on the same order of the movie-dances held in the gymnasium a few years ago. A committee under the leadership of Tom Maskell was appointed to sponsor these socials.

The major event planned for this semester by the Block "L" Club is a dance to be held on November 4. This will be on a major scale and promises to be one of the highlights of the season. A dance committee, with Mike Zedalis as chairman, was appointed to handle all arrangements. On the committee are Andy O'Donnell, John Mohler, Jacques Gunning, Bob Anderson, and Franny Meagher.

Because of the lengthy program, it was decided to postpone part of the meeting until Friday, September 30, when the members of the upper classes would meet at St. Ignace's hall, Calver and Mount streets, after their retreat. Of major importance are plans to enlarge the athletic department's film library, which has proved so successful and beneficial in the past. Raising of funds and support for this enterprise will be discussed at the latter meeting.

Judging from the plans made, the Block "L" Club is in for a big year, not only athletically, but socially as well.

Kane To Get 'Mural Post

The Athletic Department announced this week that Tommy Kane, of the class of May '50, has been appointed student intramural manager for the coming year. This managership, prior to the advent of Franny Mueller as director of the intramural program two years ago, was the top student post in the organization, and has been reevaluated because of the need of an assistant to Lefty Reitz, czar of intramural athletics.

Kane will handle the arrangement of schedules in the touch-football league, the seating of players in the tennis tournament, and the numerous problems incident to the 'mural program. In addition, when time permits, he will attend all functions which come under his immediate jurisdiction, and any protests of games will be made in writing, through him, to the intramural commissioner.

At the end of the year, a separate award will be given to the student manager, one similar to the type awarded to members of winning teams in the various seasonal leagues. At present an underclassman is being sought to fill the post of assistant student manager, to move up to the top post upon Kane's graduation.

When asked of his plans for the coming year, Kane replied, "I will do my utmost to promote keen and clean competition within the intramural league for the 1949-50 season."

Cagers Add Six To Schedule; Meet Tourney Opponents Here

by Ed Ward

With four days of basketball practice already under their belts, the varsity dribblers are not far away from actual league combat. As usual, the Alumni will furnish the opposition in the opening tilt. This cage game, which will take place on November 23, is first in a season schedule composed of twenty-six contests in all.

Newcomers to the Greyhound schedule include Virginia Poly, Cedarville College, Morris-Harvey, Ohio Wesleyan, Regis College and Dayton University.

NAIB, NCIT Voes

Loyola met Cedarville in the first round of the NAIB tourney in Kansas City last year, and Regis turned back the Hawks in the semi-finals of the NCIT in Denver. Four-fifths of last year's startling lineup return this year in the persons of Captain Mike Zedalis, Andy

O'Donnell, Bob Anderson and Bill Johnson. The missing starter is Jim Laey, who will probably add prestige to the Alumni team. The other varsity returnees will be Vince Gallagher, Herb Meinert, Frank Barrett, Jack Simanski and Buf Zephir.

New Hardwood Trend

The new trend in the hardwood outlook for this year is the lack of a B-squad. Besides the varsity, the only other hoopsters to cavort will be the freshman team. The latter unit, in its many practices, already has displayed an abundance of depth, ability and height, with several players causing an occasional hopeful gleam in the eyes of Coach Left Reitz.

As in past years, the Frosh will play a number of the high school teams in and around the city, as well as Mason-Dixon freshmen and junior-varsity teams.

Despite the loss of all-time collegiate high scorer Jim Laey, the basketball outlook for the '49-'50 season is generally accepted by many as pleasing for Loyola College, a very basketball-minded institution.

Loyola Runners Meet Gallaudet In Home Test

The Greyhound hurriers will blow the lid off the 1949 season on October 18, when they entertain the Silents of Gallaudet College, from down Washington way, on the rugged Clifton Park course.

This will mark the first of three home contests for the thinclads this season and Coach Bill McElroy is confident of his team "bringing home the bacon" on their home course.

Hounds Hope To Repeat

The Hounds are hoping for a repetition of last year's meet with the Washingtonians, for it was then that the Green and Grey team handed the Gallaudet runners a 23-to-32 setback, in the capitol city.

The Silents' hill and dalers, led by Jim Davila, their number one man, will return with virtually the same squad of last season. Also included on their roster are Tom Broecker, Al Tiberio, Hank Christian, Bob Kopus, Jack Kerr and Ralph Freisen.

Hoyas Second In Line

Led by Captain Jack Brunk, George Brown and George Kimmmerlein, the Greyhound squad will be shooting high for its first win.

Four days later, October 22, the team will face the strong Hoyas club at Georgetown University. Returning home, the Greyhounds will then meet the Sho'men of Washington College on October 29.

Four former prep stars, Bill Robertson, Tom Volatile and Joe Paszek, from Polytechnic, and Jim Conlan, from Towson Catholic, will bolster this year's thinclad squad, and it is hoped their presence will swing victory in Loyola's direction.

Intramurals

Heavy Intramural Program Swings Into Full Stride

Intramural program actively began in earnest this past Monday, October 3, as Touch Football, Tennis, and Horseshoes saw their share of action. Schedules for the nine-man grid league and seedings for the 'mural racket-wielders were released on the same day in preparation for the anticipated heavy competition.

Touch Football

The touch-football league swings into action with last year's champions, the Globetrotters, hailed as heavy pre-season favorites. Led by Captain Carl Viscek, the Trotters boast such returnees as Harry Beck, Don Buschman, Ed Twele, plus Jim Cook, John Corbett, Dou Semesky and Jim Sidiowski.

Other entries include the Clowns,

Hotshots, Hustlers, Mustangs, Bouncers, Wildcats, Diz Kids, and the Bar Files. The latter team has a distinction which is unique in football annals: three co-captains will guide its destinies this season. John Fitzpatrick, Bob Freeze, and Gene Conroy share this dubious honor.

The league race is expected to be a wide-open affair. However, because of the switch from last year's six-man squads to this season's nine-man teams, and the lengthening of the playing field, it is expected that the style of play will be altered considerably. To add further to the confusion, every man on a team will be eligible to receive a pass.

Tennis

Last Monday was the deadline for applications in the Tennis Tournament. Over 32 applications have been accepted for the tourney, which is to consist entirely of singles matches. There will be no doubles competition.

The first round of play will be determined by single-set duels, while the second-round winners will be decided upon by a two-out-of-three series. In the fifth and final round, the finalists will settle their differences by way of a best-three-out-of-five series.

Last year's winner, John Darrell, won't be around to defend his title since he is a member of the varsity net squad, rendering him ineligible for intramural competition.

Horseshoes

Entries for the Horseshoes tournament have been coming in slowly, but several shoe lams were around on Tuesday, practicing in the pits in preparation for the coming tourney.

Swim Star Will Return

When Jack Blondell announced at the close of last season that he wouldn't be out for this year's swimming team, a considerable amount of gloom was engendered among Loyola's adherents of the aquatic sport, because the red-haired captain-elect was supposed to be the nucleus about which the Greyhounds' 1949-'50 squad would be built.

At the time Jack felt that his academic schedule would be so heavy that he would not have the time to devote to practice.

Was Important Cog

However, Jack stated recently that he will be out for the team this year, although January graduation will limit his participation to only two meets. Though it's good news to us, it's quite the opposite to Loyola opponents.

Blondell is best remembered about these parts as one of the most important cogs in Loyola's title-winning mermen over the past several seasons, and his proficiency at close-defense for Bish Baker's lacrosse teams hasn't exactly gone unnoticed, either.

Biggest Sports Thrill

Jack's biggest sports thrill has been in swimming and the particular occasion was last year's duel with Swarthmore, which Loyola won, 38 to 37. Jack won the final race of that day, the 440 yard freestyle, and it so happened that that victory was just enough to give the Hounds the nod.

Jack believes that swimming star Andy McCormick is in for a banner year. "This is the boy. I expect him to give me a rough time this winter," Reds smilingly confesses.

What The Players Think...

If the soccer and cross-country teams are as good as the players on their respective squads think they are, then Loyola's fall athletics are in for quite a season. The spirit of the old adage: "You're as good as you think you are" is borne out by the statements of several players who were interviewed about the campus this past week.

An example of this optimistic attitude can be seen in the statement of soccer star Duke Kerr: "Even though Nick Kropfelder is ineligible to play, we'll still have a pretty fair team. One thing that we have to get down is teamwork with the new players. There are two of them that are looking good; Al Swinkowski and Berule Staug. Also, one of the boys to look for this year will be Tommy Lind."

Armucolo Iazzi seems of the opinion: "The only teams we can expect trouble from this year are Johns Hopkins and Western Maryland; otherwise, it will be easy

sailing. We have a few freshmen who should shape up into some worthwhile material."

The cross-country team, which has been reinforced recently by the addition of several freshmen runners, is, in the frank admission of veteran George Khumertleu: "Going to have trouble with the same teams as last year, but if Roanoke can be beaten in the tournament, we'll be set."

Harrier captain Jack Brunk had this to say: "Georgetown and St. Joseph's are the teams to beat, and if we do, we'll be right up there. The fellows from the freshman class are doing all right and should be a lot of help."

Frosh Practices Encouraging; Winning Season Anticipated

by Bob Roesmer

A tremendous task faces a group of Loyola basketball hopefuls this year. They can be seen, daily, burning up the surface of the newly painted gym floor. The new group of hopefuls is the freshman basketball candidates, who have been working out for the past three weeks under the watchful eye of coach Lefty Reitz. That tremendous task, of course: repeating the excellent record set last year by the junior basketweavers.

Last year the "Varsity Understudies" swept into the Mason-Dixon junior title, and in so doing produced what was probably the best freshman team ever experienced by Loyola.

Larger Freshman Schedule

As a result of the new freshman rule, plus lack of playing space, the Hounds have dropped the B-Squad. Hence the entire schedule of the junior varsity is heaped upon the freshman five. But, according to advance reports, the situation will be well handled. For it seems that mentors Baker and Reitz have been blessed with a wealth of good material.

Leading the pack at present are: Bob Gulas, Ed Kowaleski, and Jim Nelson, a trio from Patterson Park. All three are six feet or over and are good shots. Other Baltimore prospects are Tom McKew, Loyola, and Bill Goetz, Jack Ward, and Benny Lathroum from Southern.

Carney At Center

Leading candidate for the center post and furnishing a bright light

for the future is Gene Carney, a six-foot five-inch, Pa. lad, while Bob Schuler and Carmen Maffertii are the other Pennsylvania representatives seeking positions.

From Brooklyn and Long Island, respectively, we have Nat Dougherty and Ed Kelly. Hal Diefendophier is the lone rebel on the squad; he hails from North Carolina. Together with a few others, these boys form a group that should give the fans all the action they are seeking.

Conference Cutouts

'Tis reported that American University will have the best dressed basketball squad in the Washington district this season. Incidentally, the Eagles have arranged a 27-game slate for their varsity dribblers... While in an optimistic mood, "Pop" Cassell, A. U. athletic director, was heard to say, "this should be the Eagles greatest year in intercollegiate sports"... Up Westminster way, the Green Terrors of Western Maryland College are bemoaning the fact that Bill Kern, varsity wrestler with a three year undefeated skein, will not be active on the mats this winter... Also from up on the Hill in Westminster comes the prognosis that the Terrors will field two-out-of-three winning teams this coming spring. These squads are to be the lacrosse and tennis teams.

Mr. Pletschette Tells Of European Background

Playwright, teacher, student and miner, Mr. Alphonse Joseph Pletschette, instructor in German at Loyola, boasts of a European background of varied experiences.

Born on October 15, 1912, in Lorraine Department, France, Mr. Pletschette began his education in a parochial school in Luxembourg. His first degree was that of Bachelor of Arts at Luxembourg City College.

Works In Mines

After graduation he worked in the iron mines and attended the Sorbonne University, in Paris, as a special student, receiving an uncredited degree of Auditor in Linguistics.

During the next four years he studied Law at the Luxembourg State Department of Justice. In 1931 he received his baccalaureate and was graduated in Christian Doctrine, a requirement of graduates in the universities of all-Catholic Luxembourg.

Interprets Italian

In 1939 he obtained the degree of "Licencie en Droit" and became a juridical interpreter for the State, specializing in Italian.

In addition to Italian, he studied English, German and French, which are compulsory for college graduation in Luxembourg.

Teaches For Army

After the liberation of his country during the Second World War, Mr. Pletschette voluntarily entered the United States Army as a company teacher. He was given the assignment of commanding supervisor, which is equivalent to the rank of captain, and also served as a liaison officer.

During his stay in the army, he was also Professor of German and Lecturer in History at the Catholic college of St. Jacques a Joligny, in Burgundy, France.

Ebeling Collection Donated to Library

Mrs. Herman L. Ebeling has donated to the Loyola College Library a collection of books accumulated by her late husband, Dr. Herman L. Ebeling.

The bulk of the collection consists in reference and text books in language and the classics on a graduate level. The library is the personal collection of Dr. Ebeling, who taught at Haverford, Goucher and Hamilton Colleges earlier in the century.

"Most of the books are by German authors written in their native tongue," says the Rev. William M. Davish, librarian. "Very few would prove of interest to the undergraduate, but they will be invaluable in graduate work."

Dr. Ebeling was graduated with a degree of Bachelor of Arts from Hopkins in 1904 and received his PhD. from the same university.

Civil Service Offers Career For 1950 College Graduates

(In the future THE GREYHOUND, in co-operation with the Loyola College Placement Bureau, will list important employment opportunities open to students after graduation so that they may obtain a more detailed picture of post-graduate employment.)

Mr. Henry L. Zerhusen, director of the Guidance and Placement Office of Loyola College, recently released the following information for the benefit of Loyola students.

The U. S. Civil Service Commission will announce in the near future its 1949 examinations for Junior Professional Assistant, Junior Management Assistant and Junior Agricultural Assistant.

Should Interest Seniors

Mr. Zerhusen pointed out that these examinations should be of interest particularly to senior students since they offer an opportunity to train for Federal service in a wide variety of occupations.

Information can be obtained from the Guidance and Placement Bureau, Room 1S, after the examinations have been announced. No

applications should be filed before this announcement.

Exams Determine Positions

All positions will be filled on the basis of these examinations. Detailed information, in booklet form, is also obtainable in the Placement Bureau in regard to other Federal opportunities.

Besides obtaining positions for Loyola graduates, the Placement Bureau also obtains part-time employment for students during the school year and summer jobs during vacation.

Neat Striped Flannels

For the fellow who prefers the good taste of a neat striped suit . . . not as conspicuous as the chalk stripe, yet slightly more perceptible than the very thin pin stripe . . . here's the answer. Featured in gray, blue, or brown flannel. It is a versatile, all-purpose suit, because of its refined good taste. Very becoming, too, in the 3-button, single-breasted model with straight, natural, graceful lines.

Loyola Night Set For Nov. 11; Seven Skits Now In Rehearsal

Formal activities of the Loyola College Mask and Rapier Dramatic Society will get underway Friday, November 11, with the presentation of Loyola Night, according to the Rev. Leo G. Monaghan, moderator.

Seven skits are currently in rehearsal for Loyola Night, which will again be held in the gym. However, some of these may be cut because of limitations of time. Final decision on which will be presented will be announced by Fr. Monaghan shortly before November 11.

Herman Directs Two Skits

Dramatic Society President George Herman will direct two

skits: *Sweet River*, a musical comedy and a hill-billy act, while Bill Mullikin will handle *The Stupid Prince*, a satire on modern operettas.

Other sketches will include a can-can directed by Gerry Uhlhorn; a ballet by George Strohecker, Howard France and Thomas Garrity; and a playlet by Donald Swartz.

Dance Follows Show

Admission has been set at \$1.50 for students and \$2.00 for outsiders. A dance will follow with Bill Malsel supplying the music.

Other officers in the Society include Vice-President Emerson Clarke, Secretary Joseph Sills and Treasurer Howard France.
